## POLICY

### 1. School profile

Mordialloc Beach Primary School is a school of excellence catering for its population of 253 students. We are small enough to care and big enough to do. With conveniently located public transport near by and a thriving shopping precinct on the beach, our school fosters a sense of belonging and place for connecting locals and the school community. We believe in developing emotional and social intelligence in staff and students. We believe that people thrive when connected to each other and have a sense of a larger purpose in life. We also believe that every child should be literate and numerate, and curious about the world we live in. We promote gratitude, empathy and mindfulness by actively seeking instances of these in our daily environment.

The school supports a full range of learning and teaching activities for a range of group sizes – individual, small group, through to large community gatherings. Teaching and pedagogy inside these spaces aspire to best practice and all staff operate in Professional Learning Communities (PLC's).

At the end of 2022, we had 17 teaching staff, 2 office staff and 5 education support staff.
